REQUEST FOR QUOTATION
Information on Australian Producers
TARIFF DUTY CONCESSIONS

Use this form if you are making an application to the Department of Immigration and Border Protection (DIBP) that requests industry research from ICN.

ICN provides industry research to determine if there are Australian businesses that manufacture or can manufacture goods to meet the definitions of substitutable goods under the Customs Act.

Name	
Position Title	
Company	
Address	
Phone	
Email	

Importer (if same as Applicant leave blank)	
Name	
Position Title	
Company	
Address	
Phone	
Email	

Manufacturer of Imported Goods	
Company Name	
Manufacturing site	
Website (if available)	

<p>Application relates to:</p> <p>Tariff Concession Order (TCO) – refer TCO Application Form B443 (Question 6A); (ICN is a Prescribed Organisation under the Customs Regulations 2015)</p> <p>Certain Inputs to Manufacture (CIM)</p> <p>Australian Customs Notice No 2003/67 - Oil & Natural Gas Concession</p> <p>Australian Customs Notice – 1998/22 – Project By-Law Scheme</p> <p>Other (describe) _____</p> <p>Note: In some DIBP documents ICN may be referred to our former name, Industrial Supplies Office (ISO)</p>
--

Illustrative Descriptive Material (IDM):

May include:

- **Description of Goods**
- **Published brochures**
- **Extracts from the relevant industry**
- **Standards (if referred to in the description of the goods)**
- **Photographs**

Notes:

This application will not proceed if IDM is insufficient or inadequate.

Applications for a series or range of goods will not be accepted.

Just a reference to a website is not acceptable.

Please attach additional information.

Uses of the Imported Goods:

Describe all uses, including design uses of the goods

Is the Applicant or Importer aware of any Australian manufacturers of substitutable or similar goods to the imported goods?

NO

YES (If yes provide details)

Signature:

(Print name if completed electronically)

Date:

ICN conducts this research on a fee for service basis.

ICN will provide a quotation for research services when this form is returned and accepted.
